

## 1.0 General Statement of Intent

AMS Cladding Limited is committed to ensuring the health, safety and welfare of its employees, customers, members of the public and anyone else who may be affected by our operations.

The company commits to operating in accordance with the Health and Safety at Work (etc) Act 1974, The Management of Health & Safety Regulations and all other current applicable regulations and codes of practice, so far as is reasonably practicable.

The company will ensure the principles of health & safety are clearly understood throughout the company and we will be committed to:-

- \* complying with relevant health & safety laws and regulations, voluntary programmes, collective agreements on health & safety and other requirements to which the company subscribes
- \* setting and monitoring of health & safety objectives for the company
- \* effective communication of and consultation on health & safety matters throughout the company - each employee/contractor will be made aware of his/her responsibility for his/her own health & safety and that of others and all employees/contractors will be given the opportunity to consult with the management on matters relating to health & safety
- \* assessing the risks to the health & safety of our employees and others who may be affected by our activities and implementing sufficient control measures to minimise those risks
- \* preventing work-related injuries, ill health, disease and incidents
- \* suitable equipment will be provided and maintained in a safe condition, and safe systems of work will be implemented
- \* the safe use, transport, handling and storage of articles and substances
- \* providing and maintaining a safe working environment, with safe access, egress and welfare facilities
- \* providing the necessary resources including time, equipment and training to employees to ensure their competence with respect to health & safety matters
- \* providing employees with suitable and sufficient information, instruction and supervision
- \* continually improving our health & safety performance and management
- \* where necessary the company will seek external expert advice if the skills are not available within the company
- \* an annual review and to keep its health & safety policy, working practices and equipment up to date and in accordance with current legislation
- \* making this policy available to relevant interested external parties as appropriate

Signed:

Date: 27 January 2016

Anne-Marie Aujla
